2019-2020

THE FEDERATION
of COMMUNITY SOCIAL SERVICES *of* BC

Altogether better.

EXHIBITOR PACKAGES AT FEDERATION EVENTS

The Federation of Community Social Services of BC hosts three conferences each year: one in Victoria, one in Penticton, and one in Richmond. Each conference brings together between 100-300 social services sector staff from across the province. Exhibit space at these conferences allows you to present your services or products to a growing demographic while supporting the organizations that are creating healthy communities across BC.

Exhibitor options are presented for any or all of the conferences listed below and at various price points customized to fit your marketing budget. And once you're there, we'll help you connect with community social services agency staff, executives, decision-makers, and professionals from all over British Columbia!
