Dear Service Provider:

Further to our letter dated June 9, 2020, I am writing to provide you with an update on the funding to support recruitment and retention for community social services agencies.

I wish to thank you for your patience, as we continue to gather the information required to distribute this funding for fiscal year 2020/21. The ministry is finalizing our list of eligible contracts and expects to complete contract amendments starting in November.

Once the funding allocations have been confirmed, your contract manager will be getting in touch with you to discuss your contract amendment to add the additional funding for this fiscal.

If you have any questions in the interim, please submit them to: MCFPGPB@gov.bc.ca.

We appreciate your continued support during this challenging time.

Regards,

Rob Byers
Assistant Deputy Minister and Executive Financial Officer
