FCSSBC Youth Education Bursary 2019 Application Form

Application Deadline – Friday May 3, 2019

Bursary Value, Timeline, and Focus

The Federation of Community Social Services of BC (FCSSBC) Youth Education Bursaries assists young people in and from care with the financial costs of tuition, books, and supplies for academic training or academic upgrading. This bursary is available to a maximum of \$2,000 per academic year (two semesters). Please note:

- Bursary award monies are given directly to the academic institution for deposit into the student's account.
- Bursary funds awarded must be used within 18 months (for recipients in 2019, funds must be used by the January semester of 2021).
- You can apply for the bursary more than once.
- Your education plans must relate to a career in the field of Human and Social Services.

The funds awarded are raised through fundraising efforts and thus the total amount we have to give varies from year to year. The number of bursaries awarded each year, and the monetary value of awards will vary. The Bursary Selection Committee appreciates the work, time and effort that applicants make in applying for funding each year, and works to recognize as many as possible in a meaningful way through the fund.

It is ok and totally encouraged to have help in completing this application. Have someone proof-read your essay and double check that you answered all the questions before you send it in. If you don't have someone you could ask for help, email us and we can connect you to one of our awesome youth serving member organizations in your community. You may want to share your essay with your references so they have a good idea about what your goals are.
