

# EY

EARLY YEARS  
CONSULTATIONS

**March 11, 2019**  
**Abbotsford, BC**

*Organizations are asked to limit participation to two representatives each; however, the same person does not need to attend both the morning and afternoon session.*

**[Click here to RSVP here by March 6th.](#)**

*Participants are also being encouraged to **complete this short survey** which will help the facilitators plan a session that is best suited to the needs of those taking part.*

*Participation in these sessions is funded by MCFD and is free of charge to Early Years providers in the SDA. There is also a budget to support travel and accommodation costs—please enquire if you would like to access this support.*

Join us on **MARCH 11th** and take part in brand-new training and dialogue sessions for early years providers in the **EAST FRASER (SDA 21)** hosted by MCFD, ECL Early Childhood Consulting, and The Federation of Community Social Services of BC.

**AM SESSION:** From 9:00–12:00 you can participate in a community dialogue with the new MCFD Director of Operations for the Early Years. Meet the new DOO, learn about their role, and share information about service needs in your community.

**PM SESSION:** From 1:00–4:00 join a creative, inviting, and supportive workshop, led by Indigenous and non-Indigenous facilitators about cultural safety, respect, and sensitivity—and how to incorporate them into service delivery. Note: This session is designed for non-Indigenous service providers.

This session will be hosted in **ABBOTSFORD, BC**. Further details about the location of the sessions will be sent out prior to the events. For more info, please contact Kathy Powelson at: **[kathy@fcssbc.ca](mailto:kathy@fcssbc.ca)**
